PROFESSIONAL EXPERIENCE

Media Pro International | Video Operator

Nov 2023 - Present | UAE

- Support Disguise/D3 operations for corporate events and large-scale live productions.
- Operate media servers, content playback, and video workflows in fast-paced show environments.
- Certified on Analog Way Aquilon 5.0; involved in signal distribution, switching, and network coordination with Resolume servers.
- Delivered event support across the UAE, Saudi Arabia, Qatar, and Malaysia.

Freelance | Video Operator / AV Technician

Aug 2019 - Jul 2022 | Mexico

- Worked on small-scale video and AV projects during the pandemic period, supporting smaller productions as opportunities became available.
- Handled content playback, projection, LED setup, and general technical operation for private and low-capacity events.

DBH | Audiovisual Operator

Aug 2022 - 2023 | Mexico

- Supported corporate and large-format live events with playback, switching, and LED screen setup.
- Worked with Resolume Arena, basic E2 Event Master workflows, and NovaStar LED screen configuration.

Producciones Foto Niza | Video Technician / Projectionist (promoted to Grade B)

Sep 2015 - Jul 2019 | Mexico

- Progressed from intern to Grade B technician through on-site event production work.
- Supported festivals, concerts, broadcast, and expo environments, including video systems, projection, and event setup/operation.
- Contributed to productions such as Vive Latino, Corona Capital, EDC Mexico, MTV MIAW, Expo Security, and Luis Miguel Tour.
